

**How to read this Table?**

Ex: Orissa

First row indicates No. of Proposals and lease area applied for in the state.

Second row indicates about a particular district in the state and respective proposals and lease area.

Third row tells about the mineral and proposal status in that particular district, like 'iron ore-RTOR' means proposal is for revalidation of TOR for iron ore.

**Districtwise Mining Proposals to be considered in April 2013 Expert Appraisal Committee Meeting (EAC) and Suggestive Lease Area**

State/District/Minerals	No. of Proposals	Lease Area (HA)

\*indicates inter-state boundary issues

\*\* indicates close proximity to WLS

TOR – Terms of Reference – Proposal for awarding TOR for the project based on information provided by the Applicant

RTOR – Revalidation of Terms of Reference – Means TORs were given earlier but need revalidation

EC – Environment Clearance – Proposals for which TORs were prescribed earlier and now they have reached the stage of seeking prior environmental clearance

RC – Reconsideration case for Environment Clearance – Means earlier consideration of EC was done but EC not granted but is now being reconsidered based on new information or satisfying certain conditions stipulated during the EAC meeting.

*# Further Status will be updated frequently*
